

DWE43840CN

**7 in. Brushless Small Angle Grinder, Rat Tail,
with Kickback Brake, No Lock, Pipeline Cover**

Selling Propositions

- Brushless motor requires no brush changes
- Brake stops wheel in 4 seconds or less on average using DW8826 wheel
- The electronic Kickback Brake engages when a pinch, stall, or bind-up event is sensed, engaging with maximum force to quickly stop the wheel, reduce the movement of the grinder, and shut the motor off
- POWER-LOSS RESET® - The ON/OFF trigger switch has a no-volt release function. In the event of a power outage or other unexpected shut down, the trigger switch will need to be cycled (turned off and then on) to restart tool.
- LANYARD READY™ integrated lanyard attachment point (Lanyard not included)
- 2-stage trigger requires two actions to activate tool
- The gear case grip is a soft cover that can be used as a gripping surface only for pipeline grinding and wire brushing where the edge of the wheel is used for grinding and cleaning and precise control is needed for accuracy. As with any gripping surface, maintain firm grip during use. The side handle should be used as the secondary grip surface for all other applications.

Includes

- Grinder
- Side Handle
- Hex Key
- Inner and outer flange
- 7 in. type 27 guard
- Pipeline Cover

Warranty Specifications

- 3 Year Limited Warranty
- 1 Year Free Service Contract
- 90 Day Money Back Guarantee

Mfg Specifications

- Country of Origin CN
- Minimum Order Quantity 1
- Commodity Code 8467290010

Applications

- Metal Grinding
- Metal Cutting
- Cutting Bricks/Pavers

- Concrete Cutting
- Concrete Surfacing

Specifications	
Amps	13 Amps
Max Watts Out	1800 W
Spindle Size	5/8 in. - 11 in
Power Tool Type	Corded
Kickback Brake	true
Wheel Diameter	7"
E-Clutch® / Overload Protection	true
Tool Length	19 in
Tool Weight	6.4 lbs
