- **Material:** Carbon Steel
- **Packaging:** Packaged Individually
- **Country of origin:** China
- **Size:** 11"
- **Jaw Capacity:** 3-1/2"
- **Throat Depth:** 2-5/8"

Applications

- Welding and Cutting
- Construction
- Automotive
- Construction
- Manufacturing

Usage Instructions

- Open the clamp by pulling the handles apart.
- Turn the screw to adjust the width between the swivel pads.
- Position the swivel pads securely over the surface or object you are clamping.
- Squeeze the handles until the clamp locks into place.
- Use the swivel pads to grip irregular surfaces without damaging them.
- To release the clamp, pull the small trigger lever near the handle.
- Adjust the screw as needed to control the clamping force.
