

GS9R

Locking 9" Welding Clamp.
(Compares to Irwin 9R)

Features

- Featuring a larger U Shaped jaw opening, this tool easily accommodates a wider range of object sizes
- Designed with an extended throat depth, this tool provides a firm grip deeper into your workpiece
- A convenient trigger release allows for seamless adjustments and removal
- Adjustable screw enables precise pressure control and seamless material alignment with an easy release.
- Ideal for welding projects, the clamp stabilizes awkwardly shaped materials
