

GSV1176

6" Steel Bench Vise

Features

- Grip Star Hercules Bench Vises are engineered for demanding clamping applications & long-lasting performance
- Ductile Iron tube and body gives instead of breaks when over clamping
- Heavy duty rain cover for use on work trucks
- End cap prevents dirt and grime from getting inside the tube and causing sliding issues
- Replaceable serrated steel pipe jaws hold work surfaces in place in the toughest conditions! A unique anti-rust oil coating prevents corrosion of the structural steel for longer lifespan!
- Secure and stable with four mounting holes for enhanced stability.
- **Replacement Steel Jaws:** GSV1176SJ
- **Replacement Rubber Protected Aluminum Jaws:** GSV176AJ

Technical Specifications

- **Jaw Size:** 6"
- **Max Opening:** 6"
- **Throat Depth:** 4.5"
- **Heavy Duty Anvil Area:** 4.3" x 3.5"
- **Clamping Force:** 6700 lbs
- **Jaw Hardness:** 50-58
- **Product Color:** Gray
- **Size:** 14.8" x 10.08" x 9.53"
- **Weight:** 58.64 lbs
- **Packaging:** Packaged Individually
