

## GSV1178

### 8" Steel Bench Vise

### Features

- Grip Star Hercules Bench Vises are engineered for demanding clamping applications & long-lasting performance
- Ductile Iron tube and body gives instead of breaks when over clamping
- Heavy duty rain cover for use on work trucks
- End cap prevents dirt and grime from getting inside the tube and causing sliding issues
- Replaceable serrated steel pipe jaws hold work surfaces in place in the toughest conditions! A unique anti-rust oil coating prevents corrosion of the structural steel for longer lifespan!
- Secure and stable with four mounting holes for enhanced stability.
- **Replacement Steel Jaws:** GSV1178SJ
- **Replacement Rubber Protected Aluminum Jaws:** GSV178AJ

### Technical Specifications

- **Jaw Size:** 8"
- **Max Opening:** 6.3"
- **Throat Depth:** 5"
- **Heavy Duty Anvil Area:** 4.3" x 4.5"
- **Clamping Force:** 9000 lbs
- **Jaw Hardness:** 50-58
- **Product Color:** Gray
- **Size:** 17.52" x 10.08" x 9.92"
- **Weight:** 81.57 lbs
- **Packaging:** Packaged Individually
