

552-16FW-FL

The 552-16FW-FL features a firewall, forklift stirrups, and lifting eye (rated to 1,000 lbs.) making it perfect for large construction and industrial sites where lifting your cutting outfit is necessary. 16" pneumatic wheels complete the heavy-duty design. This cart uses two 1/4" steel permaclamps for cylinder security.

Height: 62"
Width: 39"
Weight: 161 lbs.
Floorplate: 13"x24"
