HSL-100 Parts Kit

W10 Series Passive Welding Helmets: Passive welding helmets are perfectly suited and priced for the cost-conscious welder. They offer a clear, unobstructed view of the weld puddle and come equipped with a Shade 10 polycarbonate filter.

Workmanship Requirement

Helmets shall be made in accordance with reasonable industry practice with respect to defects or dirt and contamination. Helmets should be packaged as specified having described shape, dimension and color in the appropriate quantity as listed.
